**Sub: Code of discipline for GSFC University Student Hostels (Girls & Boys)**

Regulations on discipline are necessary because the University is a society in which good standards of communal life must be maintained, so that all its members may enjoy conditions enabling them to achieve their aims set while joining the same.

Students of university residing in Student Hostels (Girls & Boys) should maintain discipline in their behaviour and are expected to show proper concern to the surroundings, so that reputation of university is not tarnished under any circumstances, which may affect their contemporaries and successors. Moreover, since Student Hostels are located inside Fertilizernagar township campus surrounded by residential quarters where M/s GSFC Ltd staff and families are residing, it is imperative to maintain discipline and decency.

Violent, indecent, disorderly, threatening or offensive behaviour or language (whether expressed orally or in writing, including electronically) whilst on university premises or engaged in any university activity or otherwise affecting or concerning a university student or staff member of M/s GSFC Ltd, will be viewed very seriously by the university management. Any complaint of indecent behaviour / noisy from neighbours will result in severe disciplinary action.
