\* GSFC UNIVERSITY is a student focused “teaching only” university designed to produce industry ready manpower in various discipline. Students of the universities are at the centre and focal point of all activities undertaken by the University. The University gives greater focused attention to industrial internship apart from teaching theoretical concept in classroom. This includes teaching, assessment, supervision of industrial internship and administration etc. The university does not encourage the fundamental and basic research. However, the university encourages the faculties to take up the consultancy assignments as also projects to carry out the application oriented research work for solving the industry problems. University has framed the consultancy policy to provide the framework for undertaking this assignment work.

The entire assets (Classrooms, Labs, etc.) and other resources of the university are administered centrally and not assigned to any of the schools [School of Technology, School of Science & School of Management] with a view to optimize the use of the assets fully.

- \*\* On completion of the state of an art R & D building which is being planned at the estimated cost of Rs. 21 Crore, the exiting Laboratories in School of Technology building will be shifted to the new R & D building. And the vacant built up space in School of Technology (SOT) will be converted in to classes as the strength increases going forward.

Further, future expansion plan involves:

- 1) Construction of Boys Hostel in the University campus,
- 2) Development of Sport Complex at the estimated cost of Rs. 10.50 Crores which includes Rs. 7.5 Crores grant sanctioned by Govt. of Gujarat (GOG), and
- 3) Up-gradation of mess and kitchen in the hostel.

## 16. Strength and Weakness of University

16.1	Strengths of the University	<p>a) The University campus is situated in the lush green Fertilizernagar Township in close proximity to GSFC Ltd. so that University is in a position to utilize plentiful infrastructure and other resources of GSFC Ltd. apart from students' industrial internship.</p> <p>b) In University Teaching and Learning (T&amp;L) is supported by four pillars –</p> <ol style="list-style-type: none"> <li>i. Theory in Classroom;</li> <li>ii. Simulated and physical practicals in Laboratory;</li> <li>iii. Familiarization with machinery and equipment by structured plant visits during the semester in any of the 22 plants of GSFC. These plants are located around a distance of 1 KM from university campus</li> <li>iv. Hands on training for 1 month through industrial training after every Semester.</li> </ol> <p>c) The University has adopted a unique concept of appointment of Student Counselors who act as a bridge between the student and faculty and diagnoses the weakness of students both academic and others so that remedial actions can be undertaken well in time.</p> <p>d) For growing need of places of internship due to increase in strength of students, GSFC University has already established relationship with more than 30 industries in two and half years of existence where students can be sent for Industrial Training.</p> <p>e) The University enjoys unstinted support of industries located in and around Vadodara as is reflected from the constitution of Governing Body (GB) and Board of Management (BOM) of the University.</p> <p>f) 30 % visiting faculties are sourced from industry as well as academics. The process of selection involves demo lecture on a pre-decided topic relating to course curriculum. The assessment is done by the students and selection committee for which the cut-off percentage has been fixed at 70%, followed by interaction with the Selection Committee for final selection.</p> <p>g) Student Feedback has direct impact on Annual Performance appraisal of Faculty (both on role and visiting). A feedback is usually conducted twice in a year. The assessment carried out on the basis of student feedback has a direct bearing on the faculties as assessment below 50% invites advisory and below 40% results into termination.</p> <p>h) GSFC University mission is to produce 100% industry ready manpower.</p> <p>i) Board of Studies (BOS) of each stream, which designs the syllabus consists of 50% members from industry, so as to keep the course material relevant to industry's current</p>
------	-----------------------------	---

		<p>requirements. The Board of Studies is a permanent body with members appointed for 3 years.</p> <p>j) The faculty is encouraged to take up application oriented R &amp; D projects of industry, NGOs and other companies. 80% of the revenue of the project is retained by the faculties and another 10% shared with students who participate in this endeavor. This encourages faculty to take up problem solving projects from industry.</p> <p>k) The parent company (GSFC Ltd.) shares its software and library resources with University, thus making available to students and faculty industrial journals and case studies.</p> <p>l) GSFC University has introduced limited Choice Based Credit System to enable students to choose their career path based on the sector they want to serve.</p> <p>m) GSFC University conducts bridge courses for academically weaker students.</p> <p>n) GSFC University has been envisaged to be a boutique University where there is a self-imposed limit of restricting the strength of students at not more than 1500 which will enable to give focused attention to each and every student.</p> <p>o) The Executive Development Centre (EDC) sought to be established as a separate vertical in the University, is not only seen as a revenue generating avenue for the University to set-off the revenue deficit resulted out of running the academic courses by the University, but would also support the industries in and around Vadodara by way of running in service courses for working executive convertible in to certificates, diplomas, degrees etc.</p> <p>p) The Quality Control Cell (QCC) of Executive Development Centre (EDC) is a permanent unit which will pioneer modern industrial Quality control practices in academics and its training programme. The functions of QCC involves carrying out concurrent assessment of quality of students, faculty, training imparted by EDC and assets owned by the University.</p> <p>q) The University encourages students to participate in extramural activities through the student managed clubs for overall personality development of the students with the emphasis on management, life science, language skills etc. Currently 21 Students Managed Clubs are operational and the activities under taken by the clubs carries 2 credits in year.</p>
